

Family Care
Care Management Organization
Provider Directory

**List Current as of
November 7, 2008**

This list is updated regularly
For the most current information,
Family Care Members should contact
their Care Management Team

Contents

Please Note

The providers listed in this document were under contract to Milwaukee County's Family Care Care Management Organization as of the date shown on the front cover.

The provider list is regularly updated.

If you choose to become a member of the CMO - Your care management team will assist you in choosing providers from the most current list.

For information on services not listed here - Family Care Members may contact their care management team.

Care Management.....1

Providers that employ members of your care management team

Day Services1-2

Supervised programs for adults who need assistance during the day

Disposable Medical Supplies.....2-3

Providers of disposable medical supplies necessary to maintain the participant's health, manage a medical or physical condition, improve functioning or enhance independence.

Durable Medical Equipment3

Providers of non disposable items necessary to maintain the participant's health, manage a medical or physical condition, improve functioning or enhance independence.

Financial Services.....3

Financial management services are the provision of services to assist members and their families to manage service dollars or manage their personal finances.

Home Health Care3

Services provided in the home by a RN, LPN, home health aide, physical or occupational therapist, speech pathologist, certified physical therapy assistant or certified occupational therapy assistant.

Housing - Misc.Cost3

Services and items that assess the need for, arrange for and provide modifications and or improvements to a member's living quarters.

Meals.....4

Also known as "meals on wheels", providers deliver one or two meals a day to members who are unable to prepare or obtain nourishing meals without assistance.

Mental Health Care4

Mental health services other than inpatient services or services provided by a physician.

Misc. CMO Services4

Providers of other authorized services not categorized here.

Nursing Home4-5

Providers of care or treatment to members who, because of their mental or physical condition, require 24-hour nursing services, including limited nursing care, intermediate level nursing care and skilled nursing services.

Personal Care5

Providers of hands-on assistance with activities of daily living.

Personal Response Units5

Devices that provide direct telephone or other electronic communications links between a member living in the community and health professionals for immediate assistance in the event of an emergency.

Recreational Activities6

Programs and services that provide increased socialization and community involvement.

Residential Services6-14

Residential facilities that provide services to members who need assistance with activities of daily living and instrumental activities of daily living. Types of residential providers include Adult Family Homes, Residential Care Apartment Complexes, and Community Based Residential Facilities. (See the book “It’s Your Choice” for details on the different types)

Self Directed Support15

Providers that assist members who choose the self directed supports option described in the Family Care Member Handbook.

Supportive Home Care15

Providers that assist with chores and housekeeping

Therapy15

Providers of therapeutic services for physical and mental conditions

Transportation15-16

Providers of transportation for medical and social needs
